- PC Solid Sheet
- P.C Hollow Sheet
- P.C LINER
- Aluminium Composite Panel

Your Premium Plastic Solution

Introduction

■ Make Enigma Your Premium Plastic Solution

Polycarbonates are characterized by an excellent combination of toughness, transparency, heat and flame resistance and dimensional stability. It is a high performance plastic sheets which directly competitive product on market today. Combining strength, impact resistance over 200 times equivalent thickness of glass and very high transmission. PC also is approved for food contact application.

Enigma is a leading global plastic specialist with world class manufacturing capabilities offering a high quality of Polycarbonate sheets like PC Corrugated, PC Emboss, PC Solid, PC Hollow, Pc Liner, Industry roofing and now PC roofing have been designed for commercial markets.

PC Roofing is the perfect choice for application requiring material can be used internally & externally. It is tough stable in low or extreme temperatures, excellent impact resistance fire rating and relatively simple to work with light weight and this product also provides longer span than PVC or fiberglass.

Features & Benefit

- light weight
- flexible, formable, machinable
- easy handling
- heat insulation
- sound insulation
- weather resistance (UV shield)
- high impact & break resistant
- fire-retardant
- wide service temperature range colourful selection
- cost & energy saving
- recyclable
- corrosion resistance to most chemicals
- highly flexible.
- Self – extinguishing

Application

Suitable For All Types of building & Infrastructure	Interior & Exterior Decoration purpose	Sound Insulation
• Skylight	• corridors	• Sound insulation shields on express ways
• Construction/Architecture	• living rooms	• City overhead highways
• Car Porch	• swimming pools	
• Commercial building	• garden pavillion	
• Public building	• facade	
• Recreational places	• greenhouses	
• Partitions	• sheds	
• Stadium	• machine guards	
• Gymnasiums	• canopies and awnings	
• Sports club	• Display & signage	
• Telephone booths
