

Your Premium Plastic Solution

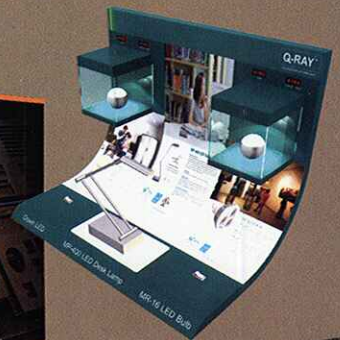

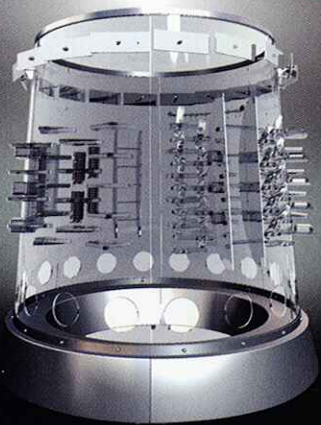

DISPLAY

Introduction

■ Make Enigma Your Premium Plastic Solution

Point Of Purchase display or POP display is one the basic method of increasing exposure of any product. A well design POP display can attract and boost sales. Based on sales data of a supermarket study, P.O.P advertising at the main shelf and materials at secondary locations were found to be effective at increasing sales.

Enigma Marketing Sdn Bhd provides a wide range of professional services to anyone who wishes to extent their marketing reach to the masses. Looking for displays or having trouble of not being able to display your product more effectively?
